D.O. No. 243

Financial Secretariat,

Bangalore, the 9th June 1920.

Dear Sir,

I find, on enquiry, that the Kolar Gold Fields Sanitary Board does not levy any rate on conveyances - except hackney carriages. The license fees on hackney carriages form only a small item of revenue, being under Rupees 400/- per annum. If, as I understand, there are a large number of private conveyances on the Fields, it seems to me that the Board is foregoing an important -- item of revenue. The Board incurs a fairly large amount on the repair and maintenance of roads and it is far from clear why private conveyances using such roads should not be made to pay towards the cost of upkeep of the roads.

Yours sincerely,

Dear Mr. Krishna Rao,

Many thanks for your letter of yesterday's date. Why not work up the case and submit to Dewan for orders ? There are, probably, some technical difficulties in the way of levying conveyance tax on private carriages and cars in the Fields.

Yours sincerely,
Mirza M. Ismail
